Tax Lien Release

We are contacting you because we picked up a **Release of Tax Lien** that was filed as a matter of public record. This often means that you have paid some or all of what you owed in taxes.

You may be surprised to learn that we may be able to secure a refund of the penalties and interest you have just finished paying! TAX FREE!

Most taxpayers pay a **significant amount of penalties and interest IN ADDITION TO** the original taxes owed. Some pay more than **TWICE AS MUCH!**

Some taxpayers pay **monthly payments** and have their **tax refunds withheld** from them for **YEARS** until everything **(including penalties and interest)** is paid. Some **refinance, sell property, or borrow** the full amount **just to get tax collectors out of their life.**

Like most taxpayers, you are probably unaware that a **significant amount of the money paid to the IRS can be recovered for you in the form of REFUND CHECKS!**

Remember what it was like trying to deal with the IRS or State?

YOU HAVE NOTHING TO LOSE AND POTENTIALLY THOUSANDS TO GAIN!

The refunds we obtain for you can really add up!

You Must Act NOW!

The IRS will NOT notify you regarding the limited window of time in order to obtain a refund. They are counting on the fact that most people **DON'T BOTHER** going after a refund. **You may have only a short time due to the delays involved in the IRS or State releasing your lien!**

Federal and State Tax Negotiators, Inc., has a program to help you remove penalties and interest and get back money collected. We can show you **13 years worth of RESULTS in the form of REFUND CHECKS** that people **JUST LIKE YOU** are receiving every day due to our efforts on their behalf!

You must act right away! If you **wait too long** the **IRS will NOT PROCESS** your request even if you are entitled to a refund!
